Welcome to week 2 of online learning. I hope you all are doing well and able to access the resources for reading. This week's assignment is to read 2 or more chapters from a fiction book. If you do not have any chapter books at home, there are several websites available with ebooks for you to read. I will include the links below. If you use the Capstone Library, username is comtrua and password is reading. MyOn and SORA are both accessible through Launchpad. Please remember to return the book you are reading in SORA so other students may check it out (see book return video below). Stay safe and healthy and feel free to send me a message to check in or if you have any questions about how to access these websites. I miss your smiling faces!
